FOREWORD

This document (Institute Operational Guidelines and termed institute policy) is intended to guide all the stakeholders of this institute who desire to associate with the institute's functions in a more transparent, effective, efficient and accountable manner. It is a ready reference of this institute's policies framed in line with the Department of Workforce Planning and Skills Development Guidelines.

The personnel and trainees at this institute put their collective efforts into creating this document. It symbolises the institute's deliberate and forward-thinking efforts to teach our students the ideals of our TVET system and provide them with the most excellent education and training. Its material is derived from numerous policies and papers periodically offered by the Ministry of Education and Skills Development and is pertinent to the setting of this institute.

The decentralised management structure makes it more desirable for people to have access to information. For this reason, the institute management has carefully considered and evaluated each guideline to enlighten each stakeholder. On the other hand, the document is not inflexible or unchangeable. It has enough room to be revised and improved upon as needed. The document is subject to revision and amendment following the social and cultural principles of the institute, as well as the evolving demands of the country and its goals.

Finally, it is hoped that this guideline will serve its purpose as its first edition, continue to develop, and become a valuable document to all the institute's stakeholders in carrying out their roles and responsibilities more effectively and efficiently.

VISION OF THE INSTITUTE

To provide world-class wood technology education and training, empowering students with skills and knowledge to succeed in the industry and pursue their passion.

MISSION

To produce a highly competitive and skilled workforce that is versatile, competent and prepared for modern technology.

OBJECTIVES

1. Provide young people with the skills to make them employable, enhance their livelihoods, and create wealth.
2. Ensure skills and TVET drive development across the country.
3. Enhance the TVET graduates to make them globally competitive.
4. Develop a healthy attitude towards work and life among trainers/trainees/graduates.
5. Uplift the image of blue colour jobs.

MANDATES

1. Implement plans and programs as per the policy and direction of the Department and Ministry;
2. Supply skilled workforce into the Bhutanese economy based on Labour market needs;
3. Foster innovation and entrepreneurship and nurture creativity in youth to generate diverse opportunities for socio-economic development;
4. To provide theoretical and practical knowledge and skills in the trades that are in the Institute.

QUALITY POLICY STATEMENT

"Deliver well-prepared graduates for the workforce while cultivating a culture of innovation and collaboration through a commitment to quality TVET programs, continuous improvement, industry alignment, and learner-centric approaches."

COMMITTEE GUIDELINES

The institutional committee contributes to the efficient operation of the institute by communicating information and assisting the leadership in the decision-making process by providing needed information. It was determined through collective wisdom, usually superior to anyone providing the best solutions to a problem. The Institute committee must have a minimum of five staff members.

1. The committee should have a Chairman, Secretary, members, and treasurer if financial matters are involved.
2. The principal instates the committee with proper office order.
3. Send the meeting call and agenda at least a day in advance through written notice.
4. Maintain the minutes of the meeting on every sitting
5. Confidentiality and privacy of meeting outcomes is maintained.
6. Respect, consider and include the views of other members.
7. Members are appointed based on their knowledge or interest in the committee's activity area.
8. The specific responsibilities of the committee are spelled out.
9. Research the associated practices, policies, and procedures before decision-making.
10. The committee should be appointed in the general staff meeting
11. The committee meeting will be held with a minimum attendance of 70%.
12. The committee meetings are conducted in proper uniform and national attire.
13. The committees will disband after two years unless reappointed by the general staff meeting.
14. The committee's decision will be final and binding.
15. Study the agenda carefully before the committee meeting and ask for clarification if any items are unclear.
16. Stick to the agenda during the meeting.
17. Determine how and what to contribute to the committee meeting.
18. Keep replies short and specific to the point.
19. Sum up remarks of a lengthy discussion.
20. Comment, criticize constructively or disagree with the agenda to make it meaningful.
21. Any other issues beyond the committee's capacity will be forwarded to the general staff meetings/seek professional advice from external sources.

- 9 Carry out maintenance as per schedule.
- 10 Tag "UNDER MAINTENANCE" label in the equipment if the parts are removed and under the process of repair.
- 11 . Requisition and replace the parts.
- 12 . Test or operate the equipment after carrying out maintenance.
- 13 Remove the tag "UNDER MAINTENANCE".
- 14 Update the maintenance schedule chart.
- 15 Assess the maintenance of equipment monthly.
- 16 Submit the report to HoD and the Principal for further recommendations.
- 17 Report on training equipment problems to the maintenance in charge.

ROLES AND RESPONSIBILITIES OF HEAD OF DEPARTMENT

- 1 Verify the periodic maintenance schedule.
- 2 Assess the maintenance of equipment monthly.
- 3 Submit the report to the management for further recommendations.

ROLES AND RESPONSIBILITIES OF MAINTENANCE IN CHARGE

INDUSTRIAL LIAISON PUBLICITY AND PLACEMENT UNIT (ILPU)

The Industrial Liaison, Publicity and Placement Unit (ILPU) provides independent analysis and judgment to develop, coordinate, and supervise complex and varied administrative tasks to determine exemplary career services to the trainees. ILPU aims to build a strong partnership bond with the industry through OJT or Industry Attachment placements and other exchange programs. It also advocates the institute's roadmap through different modes and means to educate the public and the youth about TVET and career choices. The ILPU consists of a committee chaired by the principal, supported by a focal person and a member from each Department for smooth functioning.

STANDARD OPERATING PROCEDURES

ASSESSMENT GUIDELINES

An assessment aims to certify trainees' learning through reliable and transparent methods. The following guidelines will help design assessments and certify the trainees' learning. These guidelines shall apply to all the teaching faculty, the assessment committee, and institute trainees.

Definition as per these guidelines:

- a. Chairperson means the head of the institute; Principal.
- b. Deputy Chairperson means the second in command; Vice-principal.
- c. HoD means the Head of the Department.
- d. Teaching faculty means any person entrusted with the teaching responsibility.
- e. The assessment committee is the group of members entrusted with executing assessments within the institute and controlling the fairness of assessments.

Appointment of Assessment Members

For the smooth running of the whole assessment system, the concerned person has been categorized into various designations and groups, as shown below, along with an individual's and group's duties and responsibilities.

The Assessment Committee shall be composed of seven members and appointed in the general staff meeting.

- a. Assessment Coordinator
- b. One member from each department

Mode of Assessment

1. Assessment is conducted at the end of each module with the due information to the assessment coordinator by the concerned teaching faculty.
2. The record of the module assessment should be kept with the concerned teaching faculty and made available for auditing and result compilation at the end of the course.
3. The learning progress of the trainees based on the module assessment should be communicated in the Module Progress Chart (Smart Board).
4. Institutional Assessment is conducted at the end of the course.
5. The chairperson should monitor Institutional Assessment.

Eligibility Criteria for Assessment

1. Trainees should obtain a minimum of 90% class and workshop attendance in all the subjects.
2. In case of illness, trainees should produce authentic medical documents from a competent authority and a certificate of fitness. However, if trainees halt their studies due to medical leave for over a month, they will be declared medically unfit and compelled to repeat the courses.
3. If trainees fail to obtain the minimum attendance requirement for official reasons like representing the institute/country in sports and cultural competitions, etc., it will be relaxed by the chairperson as deemed necessary.

Criteria to Qualify the Course

1. Trainees should obtain a minimum percentage of 40% in theory and 60% in practical to qualify for the course.
2. Trainees should obtain a pass percentage of 40% in all academic subjects.
3. To qualify for the course, trainees who fail to fetch the required percentage in their assessment should acquire the eligible marks from the supplementary evaluations.
4. Trainees must pass the OJT component as well.
5. Trainees must complete OJT duration at their own expense if they fail to attend arranged by the Institute.

Approach of Supplementary Assessment (Re-assessment)

1. Supplementary Assessment will be conducted during the last winter/summer vacation week. However, conferring on the readiness of trainees can be completed right after the primary assessment.
2. Trainees who fail to clear the reassessment paper will be declared 'not yet competent' and assigned to clear their assessment after one year for long-term courses and after half a year for short-term courses with their forthcoming batch.
3. From the supplementary assessment, only the required pass mark of 40% in theory & Academic subjects and 60% in practical assessments will be taken to compile the trainee's results.

Eligibility criteria for Supplementary Assessment (Re-assessment)

1. Trainees failing in not more than two practical and theory assessments will be eligible to appear for the supplementary assessment.
2. Trainees failing to obtain pass marks in not more than two academic subjects.
3. Trainees who are eligible for assessment but fail to appear in the evaluation on medical grounds will be eligible for supplementary assessment only with the consent of authentic medical documents from a proficient authority and a certificate of fitness.
4. The trainees who fail to acquire the required attendance in the industrial attachment will be qualified to sit for reassessment upon producing an OJT certificate.
5. The trainee declared not yet competent due to unethical practices in the assessment will be eligible to sit for reassessment by submitting a statement of commitment to follow the assessment rules and regulations strictly.

Eligible criteria for repetition of the course

1. Trainees suffering from illness for more than one month will be eligible to repeat the course as per their willingness.
2. Trainees who do not satisfy the minimum attendance requirement in core and soft skills for long-term courses and core skills for short-term courses can repeat the course.
3. Trainees who cannot clear the reassessment papers will be scheduled to repeat the course.
4. Trainees failing in more than three assessments, including the practical and theory assessments, will be eligible to repeat the course.

5. The trainee who fails to clear the supplementary assessment for academic subjects.
6. The trainee who fails in three or more academic subjects.

Mode of Industrial Attachment

1. The duration of industrial attachment for the long-term and short-term courses is three months and two months, respectively.
2. Trainees with an attendance shortage of more than one week for industrial attachment should be accountable for producing the authentic certificate at their expense to qualify for assessment.

Note: Trainees who fail to obtain required attendance in OJT should report to the institute before the date of institutional assessment to confirm their seats, fulfilling clause G (2)

Use of Unfair Means

1. Trainees adopting unfair means for any subject in a test/Assessment will be declared as “Not Yet Competent”.
2. They will be eligible to sit for reassessment if they submit a statement of commitment to follow the exam rules and regulations strictly.

The following will be considered unfair means by the assessment committee: -

1. Carry any written material into the assessment hall.
2. Changing the allotted seat.
3. Conversing/Discussing with friends.
4. Helping or taking help from friends or assessors.
5. Exchanging materials/answer scripts or other things inside the assessment hall.
6. Copying or attempting to copy the work of others.

Review/Re-Evaluation of Answer Scripts and observation checklist

1. If a trainee is unsatisfied or needs clarification regarding the evaluation of their answer scripts, they may express in writing to the Chairperson along with the re-evaluation fee of Nu. 200/- per module/ subject within one week of the result declaration. Subsequently, the Assessment Committee and the concerned subject Instructor shall review the answer script and observation checklist. However, the review will be limited to the following actions:
 - a. Check if any question or checklist thereof was left without correction.
 - b. If any mistake was committed in adding the marks allotted to each

question in the answer script and the observation checklist.

- c. Verify the total marks.
2. Appropriate disciplinary action will be taken against the individual Instructor who is found to have committed any mistake in their evaluation due to negligence, lack of seriousness, or partiality.
3. The whole exercise will be executed in the presence and under the supervision of the chairperson/deputy chairperson only.

Continuous Assessment Marks

1. For national Assessment, the distribution of marks for CA will be as follows:
 - i. Institutional assessment - 80
 - ii. Attendance - 10
 - iii. Social competence -10
 1. Teamwork 02
 2. Interpersonal Relations 02
 3. Attitude 02
 4. Punctuality 02

STAFF LEAVE POLICY

1. Staff are entitled to various forms of leave as per the BCSR 2023 clause 8.2, such as casual, extraordinary, paternity, medical, study, bereavement, annual, preparatory, medical escort, and maternity leave. However, any leave should not be claimed as a matter of right except for maternity, paternity, bereavement, and emergencies that could not have been anticipated.
2. Trainers/teachers need to assign a substitution and provide tasks to the trainees to keep them engaged meaningfully in their absence.
3. Staff applying for leave must fill out the form (Leave application form 8/A) before availing the rest and get it sanctioned by the principal or immediate officiating principal.
4. Staff on leave must ensure the institute is not affected in their absence.
5. Any key role, be it in terms of service or infrastructure, should be handed over to an equally competent colleague.
6. In case of leave availed for more than ten days by staff, the extra leave days will be adjusted from their earned leave or treated as extraordinary leave with prior approval from the relevant agency.
7. During emergencies, the staff must inform through the official institute group chat and consider the leave to be made by the management according to the degree of seriousness. However, the concerned staff should complete the leave form and get approval upon arrival.
8. Short leave would be entertained during free periods; however, the concerned person should inform his or her supervisor.
9. One who avails of EOL must complete the undertaking form (8/B).

10. Maternity/paternity, medical, extraordinary, study, bereavement, and medical escort leave should produce authentic supporting documents.
11. For the convenience of the leave processing, all staff are to fill out the online leave application form.
12. For transparency, candid leave records must be accessible to all staff through the institute website.
13. For non-vacation staff, 21 days of annual leave is eligible as per BCSR2023.

TRAINEES LEAVE POLICY

1. Trainers/teachers can grant short leaves during class hours. However, the concern is that trainers/teachers must sign the permission card on leaving and arrival.
2. The matron and warden have the authority to grant leave to trainees for 1-3 nights. The trainees must submit the leave application. However, the information must be shared in the institute's official group chat.
3. Leave for more than three nights will be granted based on the need of the situation by the Principal/Vice Principal. However, leave should be routed through the warden or matron.
4. Unapproved absences will be considered unethical and will call for administrative actions.
5. Written applications, phone calls and verbal requests will be accepted to seek leave for day scholar trainees, provided they come with authentic documents on joining the institute.
6. Only written applications will be accepted for borderers. However, phone calls and verbal requests will be accepted in emergencies, and trainees must provide authentic documents on joining the institute.
7. If a trainee undergoes medical treatment, they should produce a medical certificate and prescription. In case of failure to produce the above requirements, then they will be considered as ABSENT.
8. Trainees representing on behalf of the institute (sports meet, religious discourse scout programs, etc.) will not be considered on leave.
9. Any leave availed by the trainees must be reported to the warden/matron/concerned trainer/teacher upon joining.
